Rural Hastings HealthLink

Let's make healthy change happen

**Telemedicine Coordinator/System Navigator
Registered Practical Nurse
6 Month Contract Position**

This 1.0 FTE (full-time) position involves working 5 days per week in a combined role of Telemedicine Coordinator/System Navigator.

The Telemedicine role is to support increased access to care to prevent illness and injury, improve ease of access to health care and specialist services, and to respond to the needs of our isolated rural community through the utilization of our telemedicine systems. As an integral member of our multidisciplinary team the RPN Telemedicine Coordinator will plan, coordinate, support, promote and expand high quality clinical telemedicine services via the Ontario Telemedicine Network in the North Hastings area.

This System Navigator role is a collaborative position working within the Bancroft Family Health Team with physicians and staff as well as with the Rural Hastings Health Link. The goal is to improve outcomes for those with complex health conditions and the focus is on improving the patient's experience, decreasing the patient's need to utilize the emergency department, and preventing hospitalization. As our System Navigator you will engage the patient by completing care coordination plans, supporting and advocating for the patient's goals for health improvement, and supporting the patient through transition points of care.

Experience within primary health or acute care settings, the telemedicine environment, as well as flexibility to respond to a fluctuating workload and changing environment are important qualities. Proficiency in the use of electronic health records is an asset. Valid registration with the College of Nurses of Ontario as a Registered Practical Nurse is required.

Your great asset will be your desire to be part of nursing innovation and making change happen.

This is a 6 month contract position that will run until March 31st, 2018. There is a possibility of extension beyond March 31, 2018, dependent on funding.

Candidates are asked to submit a resume and cover letter by Friday, October 13th, 2017 to Sandra McGrath, Executive Director, Bancroft Family Health Team, at smcgrath@bancroftfht.com

We thank all interested applicants; however, only those selected for an interview will be contacted.
